HOMECOMING FOLLOWS TRADITION

The King and Queen were Mike DeWeese and Donna Rider.

Mothers of the Seniors once again out did themselves by preparing a delicious homecoming supper. But rainy weather tried to dampen the spirits of many excited spectators awaiting the homecoming festivities.

By game time the rain had stopped and the crowning had taken place. Suddenly the mighty Panthers took the field. Although the Panthers were unable to present a win to their capacity crowd, everyone could be proud of their persistent effort.

The next evening, fall decorations, complete with corn-shucks, pumpkins, and straw bails, set the scene for this year's homecoming dance held in the bus garage. Music for the annual dance was provided by a new group, THE ELITE.

Senior attendant and escort were Susan Shafer and Kevin Rettig.

Junior attendant and escort were Nancy Arbogast and Dave George.

Sophomore attendant and escort were Lisa Kern and Rick Rinehart.

Cindy DeWeese and Dan George enjoy dancing to the music of Elite.

Horse and Buggy was a new attraction.

Freshman attendant and escort were Diane Finney and Darryl Newcomer.

My I.D.!?

DANCE FOLLOWS TRADITION

Snowball Queen: Sue Smith

"It's the third door on the left."

Student Council added a new flair to this year's Christmas dance by renting the Legion Hall.

Committees met in order to pick a theme for the dance, which became Winter Wonderland. They worked long and hard in making the decorations. A giant snowman stuffed with kleenexes was the main project. Hundreds of snowflakes were cut out during study halls by many students.

Music for the evening was provided by the Eastwood Stage Band and the Chamber Singers.

Mr. and Mrs. Santa Clause, alias Mr. and Mrs. Peter Smith, opened the dance. Santa couldn't grant all the wishes, but nobody left his lap frowning. Suckers were some of the treats he passed out.

Couples at the dance elected Susan Smith to reign as Snowball Queen for the evening.

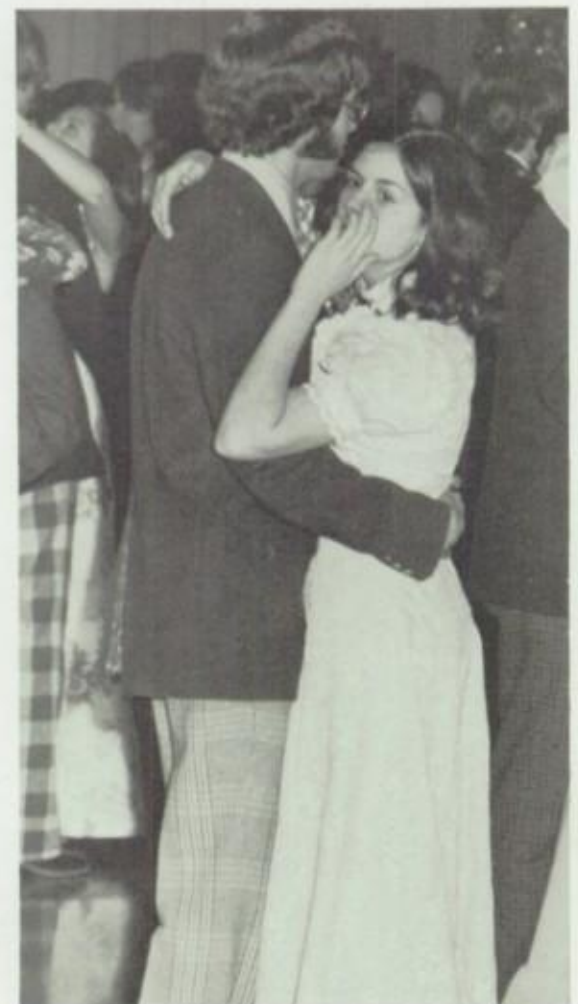

As the dance drew to an end, couples left with the feeling that this year's Christmas Dance wasn't "just the same old thing."

Santa gets a kiss

"I tell ya Becky . . ."

Above Left: Enjoying the music of Eastwood Stage Band. Middle Left: Voting for Snowball Queen. Bottom Left: "Joe's a good kid, Joe." Top Right: "Another dime and I'll dance again." Above: "What time is this going to be over?"

Dinner at the prom.

Creating a new image, this year's Junior Class presented a prom unequalled before. The number one spring event was held in the Imperial House Ballroom.

After the conclusion of the dinner, music for the dance was provided by the Eastwood Stage Band.

As early morning approached, the couples headed toward the Y.M.C.A. for an overnight. Activities included swimming, basketball, a dance, featuring Head High Tide and finally concluded with a movie.

BUTTERFLIES ARE FREE

"I thought they said to dress casually."

"Here's half a cookie for you."

"Are we going straight to the post prom?"

"I got it."

SENIORS RECOGNIZED FOR ACHIEVEMENT

Susan Smith reads the class history.

"Well, crackin' the books paid off": scholarship winners.

Senior recognition day was held on May 30th. Featured on the program were the many sides of athletics, a drama skit, business, music, honor society, newspaper, and scholarships. No awards assembly would be complete without the readings of the class history, will, and prophecy. Mrs. Scott Rader announced the Pre-Harvest Festival queen candidates. The Grace Warnock Memorial Scholarship winner was Jean Kline. Juniors finally changed classes and at last have the best seats in the auditorium, right up front.

Choir members receive honors.

Senior four year letterman Dave Aller.

Paula Smith

It's finally over: Kim Campbell receives her diploma from Mr. Barker, Board president.

ROUND BALLERS HAVE BOUNCY SEASON

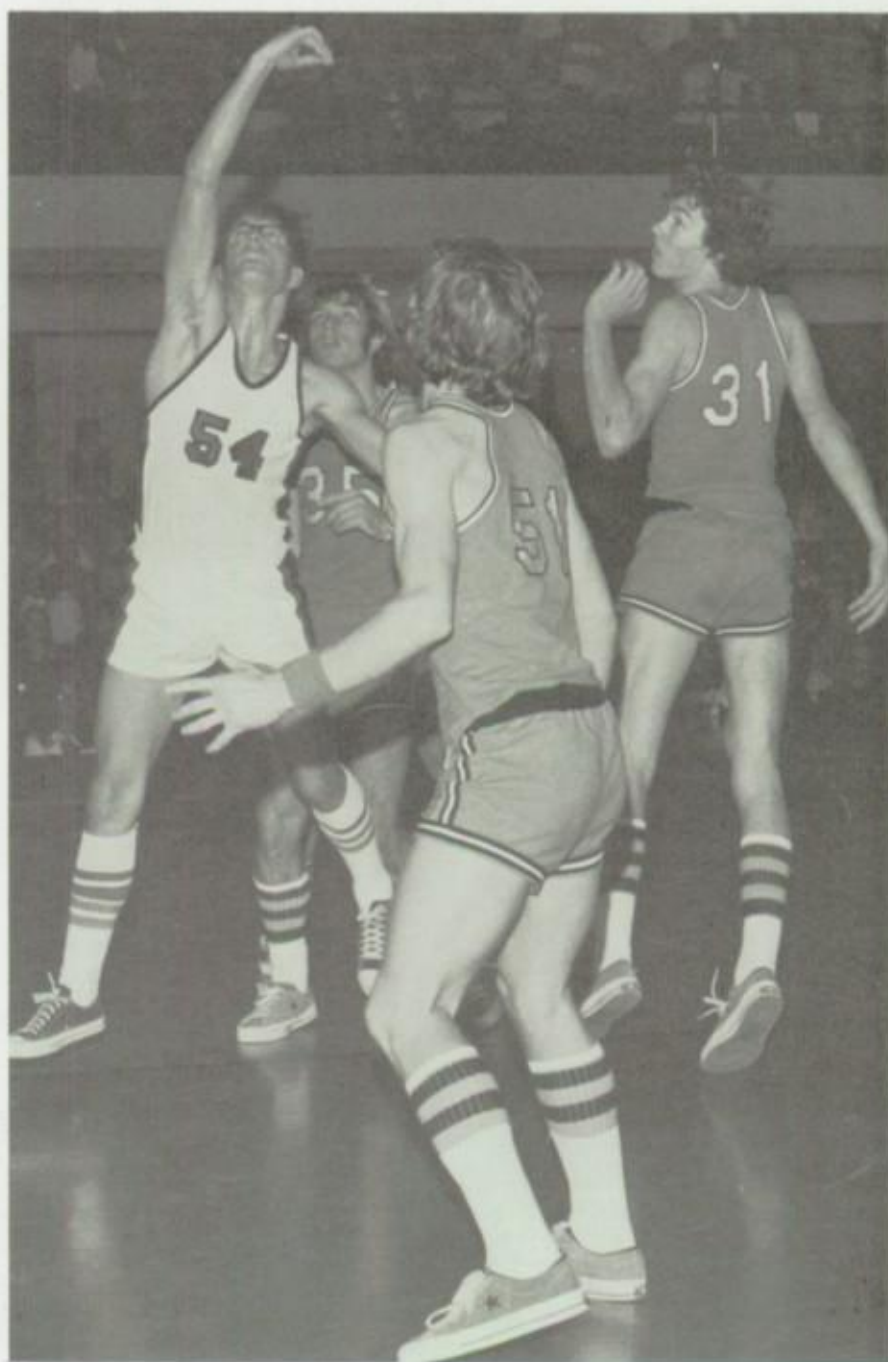

Varsity: Bottom: Ed Jacob, Bill Johnson. Middle: Rick Rinehart, Joe Latta, Dave Rader, Greg Jones. Top: Mike Peterson, Ed Aller, Ray Crane, Skip Peterson, manager Jay Snyder.

This year's basketball record didn't prove to be one of great victory, but wins aren't everything. For one thing the team was very young. Although they did loose some games they were very exciting games. Most of the game scores were like ping pong: they went back and forth. McComb would lead, then go behind, then come back again to capture the lead. The team was led by junior Skip Peterson, who was the highest scoring junior in the records of McComb basketball history. Dave Aller, Joe Latta, and Ray Crane, all seniors, received awards for their outstanding acheivements. This year's team should be congratulated on their hard work and great efforts.

PANTHERS HAVE TOUGH SEASON

TOP LEFT: Bill Clark tries to punt.

ABOVE: Panther teamwork.

TOP RIGHT: Lee Lora and Dan George kept stats.

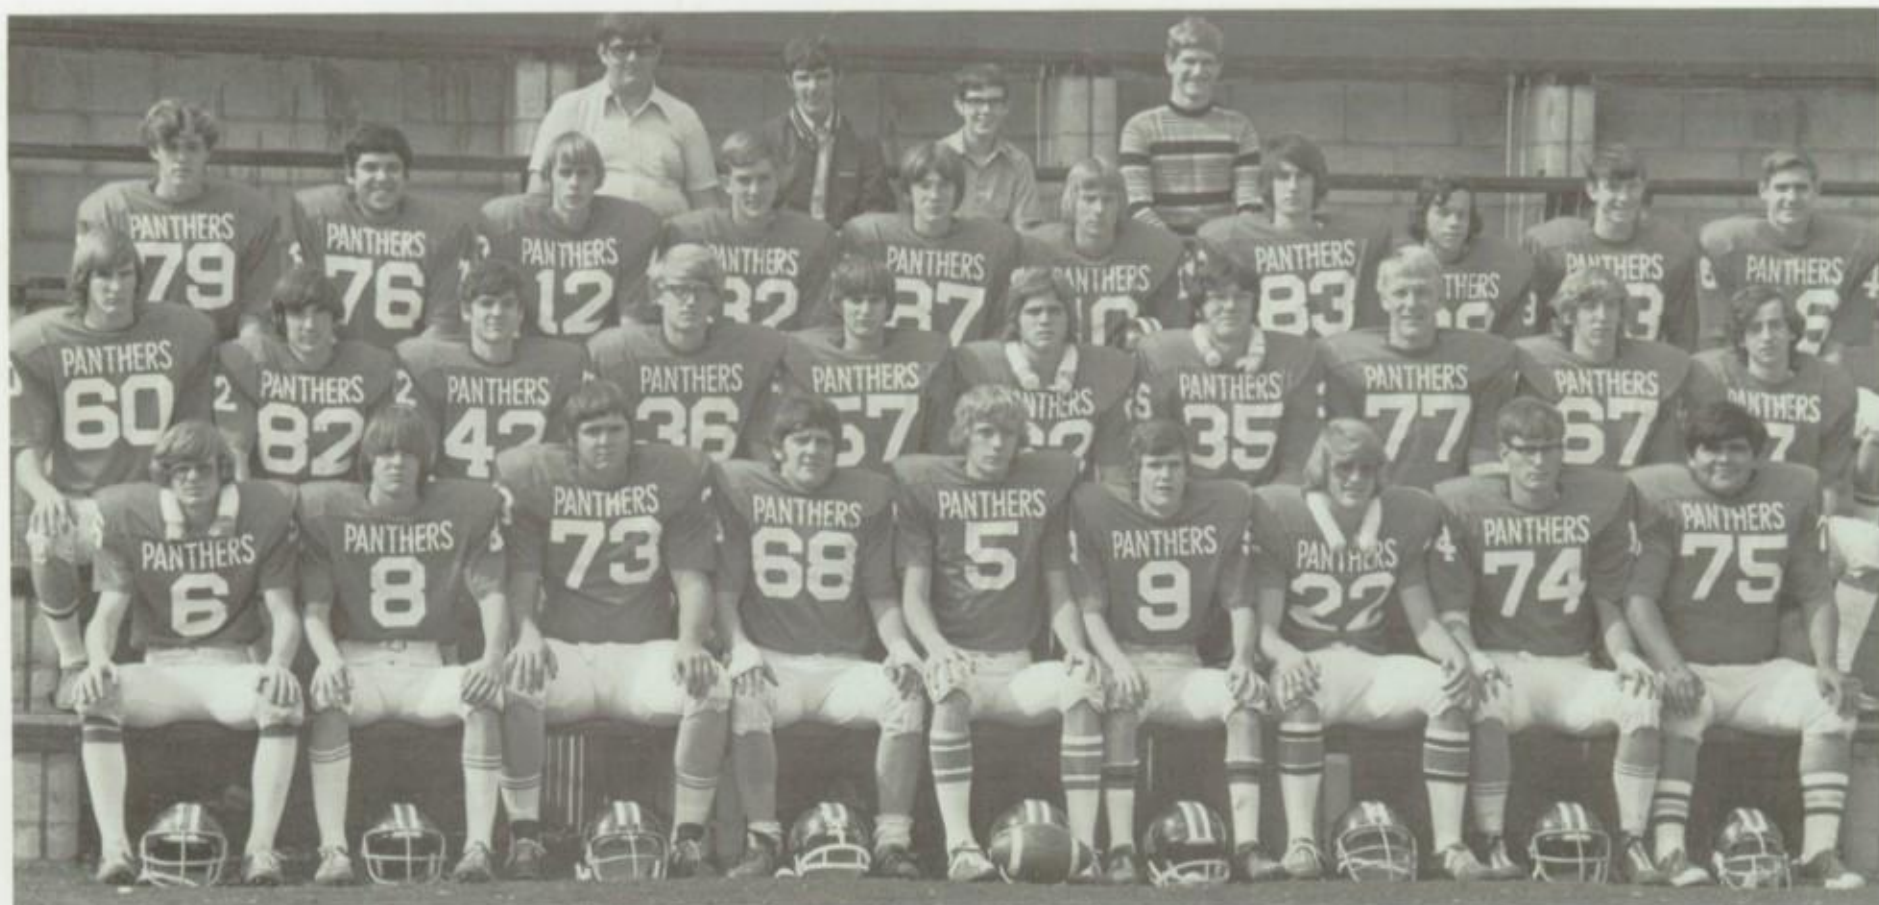

Football season was what some people might call a disappointing season. All the conference teams were tough this year, and the Panthers, led by tri-captains Dave Aller, Ray Crane, and Joe Latta, just couldn't pull through with a winning season. The gridders ended with a 2-7 mark. Although most of the games were lost by a wide margin, a few were close ones. Both victories had the score of 7-6; those games were with Arcadia and Vanlue.

One cannot judge a team by its record, however. They were much improved over last year's team. Several players were noted players in the conference and received honors. Bill Clark led the Panthers and was seventh in the conference in rushing with 521 yards on 124 carries. Ray Crane led the conference in pass interceptions with 6 for 124 yards. Bill Johnson followed with 5 interceptions for 80 yards. Crane and Johnson also led the conference in kick-off returns with an average of 29 yards. Steve Colburn ended the season with 117 tackles for a second placement in the conference. Duane Leader was placed on the Blanchard Valley Conference's second team for his fine performance as offensive guard. Dave Aller, Joe Bechstein, Steve Colburn, and Ray Crane received honorable mention.

SEASON DEDICATED TO BRUCE

The thrill of victory . . . and the agony of defeat.

What can be said about the wrestling season? It was **FANTASTIC!** All the guys were good. The wrestlers traveled again to the Milan-Edison Tourney. Taking a first was Kevin Rettig. Seconds were Dan Rader and Peanut Newcomer. McComb placed second to Arcadia in the Van Buren Classic. Twelve teams participated in this. Peanut Newcomer, Kevin Rettig, and Lee Lora got firsts. Darryl Newcomer got a second. The Hancock County meet was a tough one. It was dedicated to the memory of Bruce Harden. McComb again finished second to Arcadia. Peanut Newcomer, Dan Rader, Kevin Rettig, Frank Shoop, and Lee Lora got first place standings. Darryl Newcomer and Duane Leader received second place honors. In sectionals, Kevin Rettig and Lee Lora were stopped at districts and did not go on to state.

New wrestling uniforms were purchased. Mr. and Mrs. Ed Harden, along with donations in memory of Bruce Harden, enabled the team to purchase a new wrestling mat.

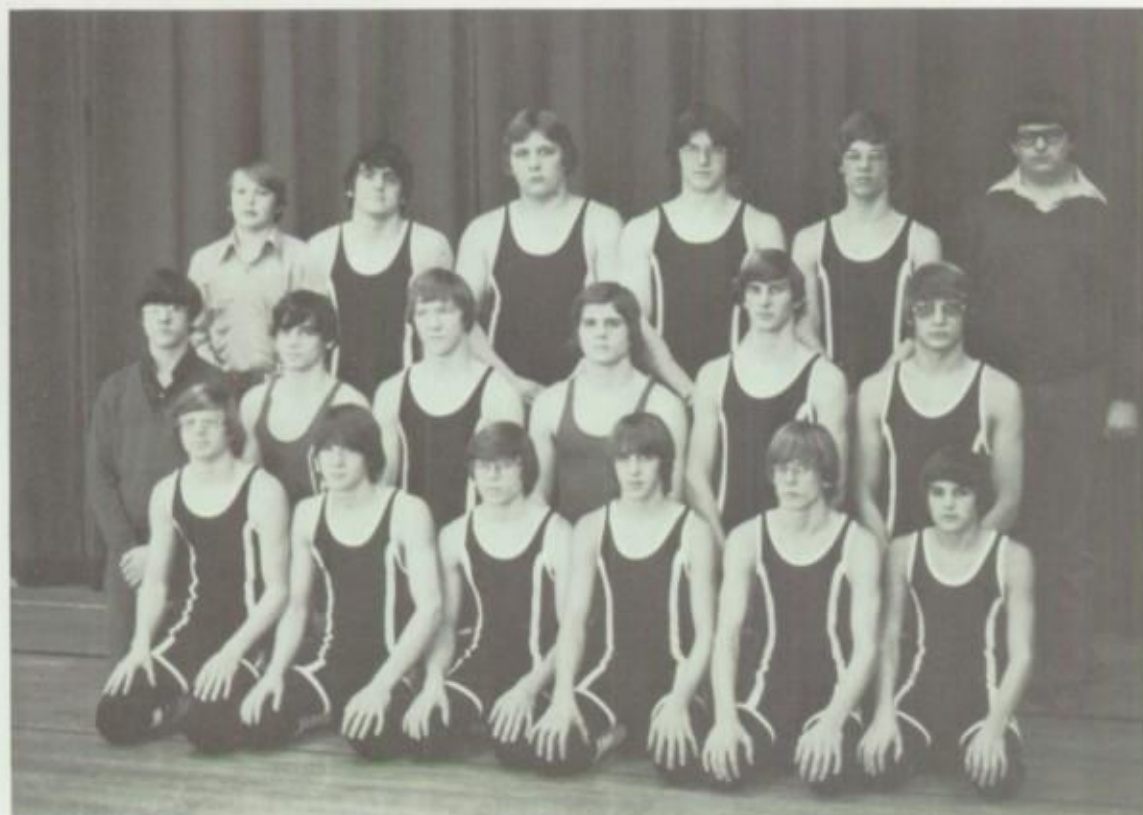

Another attraction was the mat maids. They kept stats and cheered for the wrestlers. Money making projects, practices, and matches kept the maids quite busy.

Award winners this year were Duane Leader, most improved, Dan Rader and Kevin Rettig tied for the most takedowns with 26 each, Kevin Rettig and Lee Lora tied for most pins with nine each.

With a season record of 11-1, the track team proved to be very successful. The track team also came in 3rd place at the B.V.C. meet and 4th place at the sectional meet. Six school records were broken this year. Bill Clark broke the pole vault record at 12', Ray Crane broke the high jump record at 6'3", and Joe Latta broke the mile run at 4:25.9. He also broke the record in the 880 yard run at 1:59.4. The 2 mile record was broken by Dave Hector at 10:08.9. The mile relay team consisting of Dave Rader, Ray Crane, Kevin Finn, and Jack Payne, broke their record at 3:35.8. Three of these four mile relay men are juniors and should break the record next year.

Bill Clark received a trophy for the Most Valuable Field Track man. Receiving a trophy for Most Points was Jack Payne. Most valuable runner for the team and also the Blade Relays was Joe Latta. Joe set records in the B.V.C. sectionals and again at districts. Joe showed a very fine performance by receiving 5th in state.

The baseball team was very young this year with only one senior, Dave Aller, on the roster. This is a sign that the future years should be promising. The record this year, 4-13, does not tell the whole story. Many of the games they lost went into extra innings and had one, two, or three run differences. In the first tournament game against Van Buren, McComb won by a score of 8-3, with Skip Peterson getting a victory. The next tournament game was disappointing with a 2-11 defeat by North Baltimore.

One of the outstanding baseball players this year was Skip Peterson. His record, 4-8, didn't tell anything. His earned run average was the best for McComb this year at 1.11. With his great abilities, he received the Most Valuable Player's award of McComb and he also won the M.V.P. of the Blanchard Valley Conference. Ed Jacob received a trophy for having the highest batting average for McComb baseball this year of .400. Selected by Mr. Lucas, Mike Peterson received the Most Improved Player trophy. All three of these men are juniors, which is a bright spot for next year.

The golf team, led by captain Peanut Newcomer, had a very successful year ending with a 21-5 record.

Discouragement marked the end of the season as the team lost to some teams they felt they could beat. Attitude seemed to be the reason. A season too long and matches played after sectionals left a feeling of indifference.

Next year we can expect as good a season with all starting lettermen returning.

CHEERLEADERS BOOST SPIRIT

Cheerleading season was busy this year. Not only during football and basketball, but all year long. Regular practices were held all year long, including during the summer. The cheerleaders attended a cheerleading camp at Kent State in June. After being judged on group cheering, cheering, and poster competition, they received two excellents and two outstanding. After school started, the cheerleaders served at the annual athletic chicken bar-b-q. With football season underway, the cheerleaders sold panther pride buttons. The money is used to help buy cheerleading equipment such as pom-poms, sign making materials, and outfits. During basketball season, the cheerleaders had a "sock it to 'em day" and a "50's" day. On the "50's" day, the pep session was devoted to old cheers.

With the coming of girls sports into the scene, Hancock County Schools organized a Blanchard Valley Conference League. This was the first year for any type of action and proved to be very successful. Under the super coaching of Miss Sue Wilkinson the girls softball team brought the first place county trophy to McComb High School, with a record of 6-1.

Many girls participated, but unfortunately only nine positions were open: Those who were responsible were as follows: Kathy Martin-catcher, Julie Lenhart-pitcher, Jill Payne-first, Carol Johnston-second, Kim Basye-short, Rhonda Drewes-third, Nancy Butler-center, Nancy Arbogast-right, Trish De Frieze-left.

Team members got together and voted for such honors as: Best Hitting Average and Most Valuable Player, won by Julie Lenhart, and Most Improved Player, Kathy Martin.

VOLLEYBALL SPIKED WITH SPIRIT

Girls' volleyball was a tremendous success. The usual five teams were changed to just two, varsity and reserve, because of joining the Blanchard Valley Conference. The varsity squad, led by captain Kathy Martin, rallied to a second place standing in the BVC.

Games were played every Monday at 4:15. The teams didn't have many spectators, but the ones they had were loyal. It is hoped that next year, volleyball will draw bigger crowds, as more people will be aware of its existence.

Varsity ended the season with a 6-3 record. Reserves turned the record around with a 3-6 standing.

"Bet you can't catch me."

Pattie cake, pattie cake.

Due to many problems, basketball season did not meet up to the expectations of many, ending the season 3-6. It was hard getting the ball rolling at first because of problems early in the season, but with positive thinking and teamwork, the team got it together. The team seemed to be plagued with injuries, for as many as three starting varsity were out at the same time. Only a few games were played with the original five. However, a strong JV team filled up the empty positions. The competition was great this year, with Van Buren being the toughest team. They came out on top with an undefeated season.

Kathy Martin, captain of the varsity, was selected to play in the senior all-star game at Fostoria St. Wendlin.

A new lighting system, donated by student council, provided the special effects needed to produce the stage hit: "Flowers for Algernon," directed by Mrs. Anne Koenig. Under the direction of Mrs. Debbie Eamoe, Ed Haley, Gary Moser, Frank Shoop, and John Wittenmeyer worked many long tedious days cleaning, recovering, and priming the flats with canvas for the drama department.

Seniors presented a serious drama concerned with the life of a mentally retarded person. Charley, the main character, portrayed by Lee Lora, had a chance for a major operation which would enable him to become intelligent. Later in the play the audience could feel the sorrow as Charley regressed.

Stage hands got into the act this year by trying to slip a real fishworm in a sandwich which was to be considered fake.

Makeup provided a real challenge. Many of the cast members were made up to resemble old hillbillies, sophisticated women, and even a hillbilly sweetheart. Rev. Hugh Bowland added a professional look to the cast members.

Many thanks are in order to all of those who made the Junior Class Play an overwhelming success.

Though small in size, the McComb Band highlighted their summer season with a trip to the Ohio State Fair. On a hot August day they could be seen marching through the fair, playing songs for those who listened. Also that summer the band played in such parades as McComb Pre-Harvest Festival's parade, Hardin Northern's, and one in Carey. The summer season was ended by playing at the Hancock County Fair on band night.

With all the practice time put in the band then started football season with halftime shows to entertain listeners with a wide range of music. Music played this year were such songs as *Smoke on the Water*, while the majorettes twirled fire; *Peanut Vender*, *Penny Lane* and many other songs for people of different tastes.

Concert Season came around with a Christmas Concert, a Mid-Winter Concert, and a Spring Concert.

Many people in the band are making tracks fast. Ron Rehus was made a member of the Ohio's All Boys Band and played with them at Ohio's State Fair and also at the Cotton Bowl Parade. Other McComb band members who made away with honors were All County Bands Members: June Kern, Linda Ramsey, Diane Brown, Diane Ewing, Kevin Otto, Trish DeFrieze, Lisa Kern, Julie Lenhart, Ron Rehus, Ed Aller, Kathy Smith and Steve Rayle.

There were also several who participated in the Solo and Ensemble Contest in March, but their names and scores were not present in time to write.

In all the McComb Band may be small, but it's GREAT!

McComb High School had reason to be very proud of their
 ed chorus this year. Under the direction of Mrs. Marylin
 ssandrini, this year's choir showed they could really work for
 nothing if they wanted it badly enough. The choir went to
 strict contest and received a Superior rating which qualified
 m to go to state contest, where they received a Good.
 The choir presented many concerts this year, but the most
 morable one was dedicated to Kathy Richard and Bruce
 rden. Kathy was a member of the chorus for the past two years

and also accompanist.

Together with the Drama Department, the choir put on an
 Easter Assembly of "Godspell."

F.H.A.: AN ACTIVE GROUP

Future Homemakers of America had their share of activities this year. They started off the year with their annual candy sale. The girls planned a banquet for their parents. By the time the snow was beginning to fall the girls were busily involved with their Christmas party. Freshmen got into the act by planning something for themselves: a bike hike. State Convention rolled around and the lucky girls that got to go were Deb Bame, Cheryl Bump, Deb Leeper, Lisa Kern, and Kim Campbell. Perhaps the best activity planned by the girls this year was the birthday party for Billy Bump. We're sure he thought so!

Panther Press Staff had a switch this year by handling the production in a new Journalism Class. Staff members concerned their talents with the hard jobs such as finding news, constructing stories, pasting the layout page, and taking pictures.

Later within the year, the newspaper helped contribute to the Muscular Dystrophy Carnival by holding a raffle.

Any student presently or formerly enrolled in Spanish is a member of this organization.

Meetings are at the homes of the members and were informal and pleasant. Food which originated in Mexico or Spain, provided delicious refreshments.

Mrs. Connie Honesto was a guest speaker at one of the meetings. Her topic consisted of "Quincianeras" (15-year-old coming out to parties). The celebration begins with mass, followed by a meal and then a dance. Dressed usually in pink or yellow, the girl has 14 attendants each representing a year of her life.

With the ending of the year, Spanish Club, put on a banquet featuring Mexican or Spanish cuisine.

YEAR OF CONCERN

Despite all our efforts to get the book out on time many factors seemed to work against us. One of the major problems was the photography company we were forced to work with. Pictures came back improperly printed and had to be redone, negatives were lost and had to be remade. These were just some of the problems that confronted the staff. For the first time the yearbook staff had to have a fund-raising project to maintain the cost of the book. Despite all these problems and the lateness of the book, we were able to turn out a successful edition.

It's a lonely job being an editor.

Student Council's annual magazine sales took off at a slow pace rather than the usual running start. But it did manage to bring in \$986.96. Homecoming plans got underway with the Student Council in charge of the coronation and the dance. They were also in charge of the Christmas Dance which soon came and went.

January and February were uneventful but the Student Council was kept occupied by keeping the jukebox in working order. In March, they were busy with the Muscular Dystrophy Carnival on March 17. Each organization in the school had different booths, games, and food. All proceeds went to the Muscular Dystrophy Fund.

Sixty members headed this year's 50th Vocational Agriculture Enrollment. Department accomplishments included removing the wood floor and pouring concrete in its place, completely rebuilding the football announcing booth and a great many other contributions.

Extra curricular participation in which chapter farmers were involved consisted of parliamentary procedures for which they received a bronze rating, tractor trouble shooting—first team trophy, pest eradication—chapter trophy and chapter evaluation—superior rating.

Students for Action in Education have been busy this past year. The first order of business was to draw teacher's names for secret pals. During the year, the teachers received many cards and gifts from their secret pals on holidays.

SAE members contributed to charity by sponsoring a booth during the Muscular Dystrophy

Carnival.

Officers and members alike worked to pull off a teachers' breakfast, where secret pals were revealed.

Seniors were honored at the installation of officers held in late May.

Honor Society

In August, after a long period of wondering how it would be, I finally came in McComb, living with the family Harold Morse.

Being used to a big town, Groningen, The Netherlands, it sure was different I tell you! It is surprising though, how fast you get used to the American way of life, and I sometimes wonder how I'm gonna manage it at home again. Thanks to everybody who has been so nice to me.

Annemarie
Dystelberge.

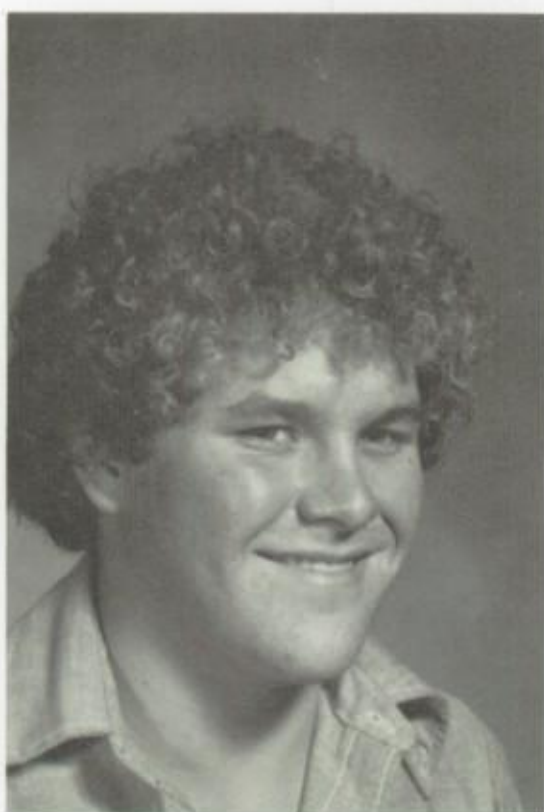

In early February I arrived in the United States. I am from the city of Monte Aprazível in the state of São Paulo, Brazil. I am sponsored as an exchange student through Rotary International. I'll be in the United States for 11 months. I am enjoying my new home with my sponsor parents, Mr. & Mrs. Pat Rider.

Since Brazil has a tropical climate, until I came to the States I had never seen snow or experienced cold weather. I find myself enjoying them both very much. I like McComb very much because it is a small community and everyone has been very friendly. I find school here very different from school in Brazil and I am enjoying everyday. I find the teachers to be friendly and helpful. I like all sports and in Brazil I played soccer everyday and while I'll be here I hope to become a football player.

Out of all the happy memories of this year, we shall have four sad ones. The deaths of four fellow students are memories we'd like to forget, but try as we may, we cannot. We must not dwell upon the memories of their deaths, but on the memories of how they were when they were with us, what happiness they gave to others. We should be proud that we had the chance to know them and consider them friends.

Members of the School Board proposed a tax levy this year, which finally came out on the winning end.

Mr. Bruce organized a Citizen's Communittee, who had the great responsibility of calling on many members of the community. They informed the citizens of McComb and area what policies the board had proposed and urged them to support the levy. The Board, Mr. Bruce, and the Community would like to thank the Citizen's Committee for the major part they played.

Scary characters of all sizes and shapes, made this year's P.T.O. Halloween Carnival a frightening event. Many participated in throwing others in "jail," shooting baskets, watching the tea room shows, and making the gastly trip through the Spook House.

Every seventh and eighth grader did their part to make the evening a success. Many sold raffle tickets, striving to out sell each other. Also they contributed in the selection of their Queen, King, and court to reign majestically over the entire evening.

Later in the evening, many exciting prizes were raffled away. Profits from this year's carnival will help to brighten the education of students in this school district. Those who made this possible are on the following committees. With a space limitation we can not name everyone but we would like to thank the chairmen: Mr. and Mrs. Darrell Challen, Mr. and Mrs. Delbert Kline, Mrs. Van Hill, Mr. and Mrs. Terry Rader, Mr. and Mrs. Harvey Tripple, Mr. and Mrs. Sonney Brickman, Mr. and Mrs. Gary Jones, Mrs. Connie Honesto, Mr. and Mrs. Dudley Allison, Mr. and Mrs. Donovan Courtright, Mr. and Mrs. Jed Rader, Mr. and Mrs. Ken Peterson, Mr. and Mrs. Bob McMaster, and Mr. and Mrs. Bud Pendleton.

Dressed in red and black, the junior high girl's pep club had a record enrollment this year with 49 members. Occupying a reserved section in the gym, the Pep Club cheered enthusiastically at the 5 home games. As tournament time rolled around, they supported the 8th grade team by accompanying them to Arlington, Saturday, February 8.

The 8th grade basketball team finished the season with a very respectable 6-6 record. Dave Morre, Larry Swain, Dave Phillips, Chip Kaple, Mark Drewes, and Mark Kline saw most of the playing time this year. Mark Drewes was our leading rebounder, Dave Phillips was the defensive standout. Mark Kline was our leading scorer, averaging 13 points per game.

The seventh grade basketball squad completed their first year of competitive competition, ending the season with a 5 win - 5 loss record.

Intra-squad competition was fierce as 19 boys battled for playing time in the 10 games.

Rebounding leaders for the team were Jim Peterson and Brad Barker. Defensively every member of the team learned the do's and don'ts of aggressive man to man basketball.

Members of the McComb Middle School Student Council worked busily this year in planning activities which would involve everyone.

Their first order of business was concerned with the selection of cheerleaders. Next, many campaigned for their favorite candidates for class officers. As the season changed from late summer to early fall, the council ran the elections of Halloween Carnival King and Queen. With the closing of the year, members selected the assembly programs for the next year.

SPRING IS COMING

Bluebird comes in to awaken the sleeping Pussy Willows, telling them that Spring is coming. They protest shivering but finally wake up and sing, and talk. Suddenly Jack Frost and his Elves come in to plan a party in the fields scattering the Pussy Willows and deciding to freeze them as part of the fun. This is interrupted by Bluebird, but they will not permit Spring to come.

They defy her; and when Spring's maidens appear with her crown these are captured by Jack Frost and hidden in his ice cave. Various groups of Spring's people come to demand the maiden's release and warn Jack Frost of punishment but he is still defiant till the Sunshine Fairies appear to check him.

Then the Brownies capture him and take him to Spring who banishes him to the Northland, after which Spring is crowned by her people and all are happy.

Mrs. Allesandrini was director. Accompanist was Paula Smith. Miss Wilkinson directed the dancers and Mrs. Eamoe the scenery. The runner was Melissa Norway.

The grand finale.
